Take a Kid Mountain Biking Day!

Saturday, October 1, 2011 from 1:00—3:00 p.m.
At the old Jungle Habitat Property, Airport Road,
West Milford, NJ

Join us on October 1st, and we'll help you, your family and friends increase your comfort level and skills on a mountain bike. Team Town Cycle is filled with veteran mountain bikers and racers—we'll teach you some basics of mountain biking while we ride through the easier trails at Jungle Habitat.

We're teaming up with IMBA to celebrate the 8th annual Take A Kid Mountain Biking Day—but you don't have to be a kid to join us! We'll have snacks and water and a lot of fun planned—so come check it out! All ages welcome!

As an additional bonus, we're excited that Jeff Lenosky will be joining us for our ride, courtesy of Native Eyewear! Jeff is world-class professional freeride and trials mountain bike rider, and we're thrilled to have him join us! Jeff will ride with us (and maybe we can even get him to lead a ride!), and show us all how it is done!
